- Polos & playing uniforms  
-So far I got 14 players who wished to get polo-shirts with the Astra logo. 7 people opted for black polos, so they will be black. I think the price will be around € 15 each.  
-As for playing jerseys only 9 seems to be interested in jerseys with their name on the back, and the large majority opted for blue jerseys.  
If any of you haven't decided yet and want to be added to the list..just fill the form at the link below., or if you have changed your mind or are not sure if you did fill out the form...simply complete it again at the link below.
